## **Bovine Pili Shield - Bacterin**

Section V - Reactivity Data							
Stability	Unstable		Conditions to Avoid T	himerosal will decompose with heat.			
	Stable	X		-			
Incompatibility (Materials to Avoid)  None							
Hazardous Decomposition or Byproducts Mercury, carbon monoxide, or carbon dioxide							
Hazardous Polymerization	May Occur		Conditions to Avoid	None			
1 orymenzation	Will Not Occur	X					
Section VI - Health Hazard Data							
Route(s) of Entry:	Inhalation? Yes		Skin? Yes	Ingestion? Yes			
Health Hazards (Acute a	nd Chronic)						
The product may be	irritating in the case of	of skin o	eye contact. Thime	rosal is a toxic compound.			
Carcinogenicity:	NPT? Ye	s l	ARC Monographs? Ye	es OSHA Regulated? Yes			
Emergency and First Aid Procedures In case of skin or eye contact, flush with plenty of water. If the product is ingested, wash the mouth out with water and call a physician. In case of accidental injection, wash the							
			physician. In case of	of accidental injection, wash the			
puncture site and se	e a physician immedia	itely.					
Section VII - Precaut	tions for Safe Handling	and Use					
Section VII - Precautions for Safe Handling and Use Steps to Be Taken in Case Material Is Released or Spilled							
Clean up the spill with absorbent material, and afterwards, wash the site thoroughly with water.							
Cross up the opin with accordent material, and after wards, wash the site moroughly with water.							
Waste Disposal Method							
Dispose in accordance with all applicable federal, state and local environmental regulations.							
Precautions to Be Taken in Handling and Storing							
Refrigerate the product (2° to 7° C) {35° to 45° F}. Keep the container closed when stored, and shake well							
before using.							
Other Precautions N/A							
Section VIII - Control Measures							
Respiratory Protection (Specify Type)							
An approved cartridge respirator for large spills							
Ventilation	Local Exhaust No		Spe	ecial NA			
	Mechanical (General)	Yes	Oth	ner NA			
Protective Gloves Vin	yl or nitrile		Eye Protection	Goggles			
Other Protective Clothing or Equipment							
NA							
Work/Hygienic Practices							
Take precautions to prevent accidental injections.

Section IX - Regulatory Information

Component: Thimerosal

Mercury and mercury compounds are subject to CWA, SDWA, CAA, RCRA, CERCLA, SARA (Secs. 312 and 313), DOT and 29 CFR 1910.1200 regulations.

Component: Formaldehyde

Formaldehyde is subject to SARA (Secs. 312 and 313), CERCLA, and 29 CFR 1910.1048 regulations

This Material Safety Data Sheet and the information it contains is offered to you in good faith as accurate. We have reviewed any information contained in this data sheet which we received from sources outside our company. We believe that information to be correct but cannot guarantee its accuracy or completeness. Health and safety precautions in this data sheet may not be adequate for all individuals and/or situations. It is the user's obligation to evaluate and use this product safely and to comply with all applicable laws and regulations. No statement made in this data sheet shall be construed as a permission or recommendation for the use of any product in a manner that might infringe existing patents. Accordingly, no guarantee expressed or implied is made by Novartis Animal Vaccines, Inc. as to the results to be obtained based upon your use of the information, nor does Novartis Animal Vaccines, Inc. assume any liability arising out of your use of the information.
