GASTRALIEVE

Henry Schein® Animal Health

Digestive Support Supplement Combining Zinc-Carnosine and Vitamin E in a Highly Palatable Liver-Flavored Chewable Tablet

For use in Dogs

Active Ingredients: (per chewable tablet)

Zinc-Carnosine*	30 mg
Vitamin E	10 IU

*Not recognized as an essential nutrient by the AAFCO dog food nutrient profiles.

Inactive Ingredients: Cellulose, Natural Liver Flavor, Hydrolyzed Vegetable Protein, Sucrose, Stearic Acid, Silicon Dioxide, Magnesium Stearate.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven.

Properties: For use in dogs only.

Zinc-Carnosine in Gastralieve combines elemental zinc and the di-peptide L-carnosine in a chelated stable, chelated compound with synergistic benefits. Zinc stimulates the mucosal defense mechanism and promotes the localized tissue repair of irritated stomach lining. L-carnosine and Vitamin E provide antioxidant activity to protect gastric epithelial cells from further damages from sources such as bacterial toxins, improper diet and NSAID use. Gastralieve is also recommended to help reduce flatulence, bowel discomfort and unpleasant gassy odors.

Directions for Use:

Dogs under 30 lbs: 1/2 tablet twice daily

Dogs over 30 lbs: 1 tablet twice daily

Warnings: For animal use only. Keep out of reach of children and other animals. In case of accidental overdose, contact your veterinarian immediately.

Store at controlled room temperature.

Manufactured for Sogeval Laboratories, Inc., Coppell, TX 75019

Available Through Licensed Veterinarians Only.
