

FIRST IMPRESSIONS LAST A LIFETIME.

Make **lifelong clients** with
VetPet Puppy and Kitten Packs

VetPet Box is a **veterinarian owned and operated** company with a love for educating pet owners!

HOW EFFECTIVE ARE YOUR CURRENT PUPPY AND KITTEN PACKS?

Increase owner education, participation and compliance with VetPet Box:

- Help pet owners & patients establish healthy habits early!
- Provide a consolidated, science-based alternative to unregulated information from the internet.
- Client-friendly educational materials that are relevant, fun-to-read and easy-to-understand.
- Help clients **understand WHY** you recommend products and diagnostics - **INCREASES** compliance.

WHAT VETERINARIANS ARE SAYING:

So many injuries and accidents are preventable, and with the sound, experienced, veterinarian-backed recommendations of **VetPet Box**, we can prevent emergencies before they happen.

— Medora Pashmakova, DVM, DACVECC —

DO YOUR PUPPY AND KITTEN PACKS GENERATE PROFITS?

Get more value out of your puppy and kitten appointments! Increase sales and veterinary visits with VetPet Box:

- Stop spending time and money assembling puppy and kitten packs.
- Realize more profit with each new patient.
- Drive clients to your practice for product purchases.
- VetPet Box advocates for **regular veterinary care**, indicated diagnostics and recommended elective procedures.

WHAT IMAGE DO YOUR PACKS REFLECT OF YOUR PRACTICE?

VetPet Box is a practice builder and marketing tool:

- Differentiate your puppy and kitten visits from the competition.
- Value-add for your clients - this helps with retention.
- Help clients take the guesswork out of shopping for pet products - **provide a starter kit that shows you care!**

The veterinarian-supported recommendations, information, and products provided in **VetPet Box** are excellent tools for clients designed to care for the animals they love.
