## PROGRAM RULES

- The program is available only to participating veterinarians with valid veterinary-client-patient relationships.
- Joint health purchases count as volume builders only and are not eligible for any bonus rebates.
- Accounts participating in any equine pricing agreements are not eligible for rebates/discounts on products within existing pricing agreements but all sales on pricing agreements do count as volume builders for the cumulative rebate.
- Boehringer Ingelheim has the right to end or modify this program in whole or in part (including the removal of specific products or premiums) at any time without notice.
- Qualified orders in 2019 will be paid in February. Qualified orders in 2020 and the cumulative rebate will be paid in April.

\*Special tiered pricing is good for products billed and shipped on one invoice. All other purchases may be cumulative as long as they are shipped and invoiced during the program period (November 1, 2019 – February 28, 2020). Boehringer Ingelheim has the right to end or modify the program in whole or in part (including the removal or addition of specific products or premiums) at any time without notice. The program is available only to participating veterinarians with valid veterinary client-patient relationships. Accounts participating in any equine pricing programs are not eligible for rebates/discounts in this offer.
