

Top 5 reasons you should thank a vet tech.

5

They have a dirty job

Lots of messes or accidents to clean up

4

Vet techs keep veterinarians on track

Keep them up-to-date on patient conditions

3

Their job can be dangerous

Sometimes animals are nervous, and act out

2

They are highly skilled

Techs spend years developing their knowledge and credentials

1

They love our horses when we can't be there

Provide comfort, care and love to our equine companions
